**CAUSE NO. 42805** INDIANA UTILITY  
REGULATORY COMMISSION

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") has caused the following entry to be made:

On March 10, 2005, Aldrich Environmental, LLC ("Petitioner") filed an Application for a Certificate of Territorial Authority ("Petition") with the Commission. While the caption in this Cause indicates that the Petitioner is requesting a Certificate of Territorial Authority, upon review of the prefiled testimony submitted in this matter it is apparent that the Petitioner is also requesting Commission review of additional issues including, consideration of initial rates and tariffs; a System Development Charge; and, a bad check charge. Accordingly, the Presiding Officers find that the Petitioner should file a motion to amend the caption to ensure that the caption fully and accurately reflects the relief requested in this Cause.

**IT IS SO ORDERED.**

  
Judith G. Ripley, Commissioner
